# SPECIAL FEATURES

**Omega AAM 957 AirCon Cleaner Plus** is formulated to clean and remove a wide range of contaminants, including dirt, grease, and organic deposits, from air conditioning (A/C) systems of vehicles.

- **Omega AAM 957** penetrates deep into the crevices and hard-to-reach areas of the A/C systems, allowing it to effectively dissolve and dislodge stubborn deposits accumulated in the evaporators, coils, vents, and other components of the A/C systems.
- By thoroughly cleaning the air conditioning systems, **Omega AAM 957** helps restore optimal airflow and heat transfer efficiency of the A/C systems. This can lead to improved cooling performance and increased energy efficiency of the A/C systems.
- **Omega AAM 957** helps eliminate unpleasant odors caused by fungus, mold, and mildew built up in A/C systems.
- By effectively eliminating the odors at the source, **Omega AAM 957** helps maintain healthier and more comfortable vehicle cabins for drivers and passengers, especially for those with respiratory sensitivities.

# OUTSTANDING PROPERTIES

Formulated with an advanced package of non-toxic, and biodegradable ingredients, **Omega AAM 957** offers the unparalleled properties below:

- **Omega AAM 957** is environmentally friendly, simplifying the disposal process after use. This helps reduce the environmental impact of maintaining the A/C systems of your vehicles.
- **Omega AAM 957** contains special ingredients that help inhibit the growth of molds, mildew, and most types of bacteria in the A/C systems.
- **Omega AAM 957** is safe for use on all standard A/C materials, including metals, plastics, and rubber parts. It will not cause corrosion or damage to the delicate components.

# USE FOR

**Omega AAM 957** is designed to be used exclusively with Omega AAM 9578 "AIRCOMATIC®" machine which utilizes ultrasonic technology to convert the **Omega AAM 957** liquid into fine vapor that penetrates the vehicle's A/C system. The "AIRCOMATIC®" machine is user-friendly and will automatically switch off once the treatment with **Omega AAM 957** is completed.

Read the product label before use and refer to the user manual of Omega 9578 for instructions on how to use.

Use a bottle (100-ml) of **Omega AAM 957** every six months or whenever necessary for maintaining clean, efficient, and odor-free A/C system and comfortable indoor environment in your vehicles (passenger cars or SUVs).
