## OMEGA ULTIMATE LUBRICANTS

## SPECIAL FEATURES

**Omega AAM 959 AirCon Evaporator Cleaner** provides a comprehensive solution for keeping the critical evaporator in top condition.

- **Omega AAM 959** is quality designed with a specialized dual-action formula that combines powerful cleaning agents to quickly break down and remove dirt, grime, and contaminants from the A/C evaporators, allowing it to tackle even the most stubborn buildup on the evaporator coils.
- **Omega AAM 959** addresses the root cause of unpleasant odors in the interior of vehicles by effectively killing mold, viruses and microorganisms built-up in evaporators and surrounding areas.
- **Omega AAM 959** helps restore optimal airflow by effectively cleaning the evaporator, ensuring the A/C system can deliver the desired amount of cool air to the interior of vehicles.

## OUTSTANDING PROPERTIES

**Omega AAM 959** is formulated with a proprietary package of advanced ingredients that make it stand out from conventional evaporator cleaners.

- **Omega AAM 959** not just kills microorganisms but also helps control growth of microorganisms in evaporators and surrounding areas, preventing bad odors originating from the A/C evaporators.
- **Omega AAM 959** helps reduce allergens and irritants in the air, which can be beneficial for drivers and passengers with allergies or respiratory issues.
- **Omega AAM 959** is blended with eco-friendly ingredients that are not harmful to humans and does not corrode the metal parts of evaporators, plastic, rubber parts and leather fabric of car interior.

## USE FOR

**Omega AAM 959** (300-ml/bottle) must be handled by professional operators with special tools to clean the evaporators of your vehicles. Read the product label before use.

Recommend to clean A/C evaporator when A/C has bad smells or when the season changes.

Note: **Omega AAM 959** is not suitable for use in A/C systems of electrical vehicles.
