## OMEGA ULTIMATE LUBRICANTS

## SPECIAL FEATURES

**Omega AAM 960 Air Dura-ReFresh** is a reliable choice for consumers looking for effective and efficient solutions for improving the air quality and keeping the air fresh in vehicles.

- **Omega AAM 960** can be applied directly through the vehicle's air intake or air conditioning (A/C) vents, allowing the product to circulate throughout the entire air conditioning A/C system (including the evaporator) to clean and remove harmful contaminants.
- **Omega AAM 960** neutralizes chemically bad smells at a molecular level. The spray eliminates smells instead of just masking the smells.
- **Omega AAM 960** eliminates existing odors and prevents the recurrence of unpleasant smells caused by microbial growth and contamination in air conditioning systems and the interior of vehicles.

## OUTSTANDING PROPERTIES

**Omega AAM 960** is a concentrated water-based product, offering long-lasting effects.

- **Omega AAM 960** is harmless to humans and is specifically designed to reduce common allergens, making it an excellent choice for allergy sufferers.
- **Omega AAM 960** is safe and compatible with the various materials used in A/C systems and the interior of vehicles, including metal components, rubber & plastics parts, and leather fabrics.
- **Omega AAM 960** is quality engineered to be "Do It Yourself (DIY)" spray. It is equipped with a locking spray nozzle system for automatic dispensing. No special tools or applicators are required.

## USE FOR

**Omega AAM 960** (150-ml / aerosol can) is easy to use. Read the product label for instructions on how to use and safety guidelines before using it for A/C systems and the interior of vehicles.

Recommend using **Omega AAM 960** every 5,000 km of driving.

**Omega AAM 960** is designed with more gentle formula compared to Omega AAM 957 AirCon Cleaner Plus and Omega AAM 958 AirCon Purifier. For more heavy-duty treatment requirements on eliminating and preventing microbes, fungi & bacteria, and odors, use Omega AAM 957 and Omega AAM 958.
